

Crockett Community Foundation Memorial Program

The Crockett Community Foundation will accept donations in memory of your friends and loved ones. The first donation must be made within 12 months after the date of your loved ones passing. The maximum total amount of money matched by the Crockett Community Foundation for any one memorial or CCF initiated event will be \$1,000. When other requirements are met, an individual donor can have up to \$100 matched by the Crockett Community Foundation for a specific memorial or CCF event.
